

ANUA COURSE OVERVIEW 2019

D. ANUA Professional Learning Package : Technical Graded Exams

D.2 Period: (Full-Time) – 1 year@ R85 800.00 p/course

Duration: Daily Classes | 9:00am – 14:00pm

Subjects (6 Subjects):

- ✓ Basic Instrument (Piano OR Guitar OR Drums)
- ✓ Voice Training (Modern Contemporary OR Music Theatre OR Classical)
- ✓ Music Theory (Certificate)
- ✓ Music of the Stage & Screen (Certificate)
- ✓ World of Theatre & Drama (Certificate)
- ✓ Performance Diploma

Welcome to the full-time program @ ANUA – In the following year you will learn about:

Singing (Classical/Modern/Music Theatre) and playing an Instrument as your **Two main Subjects**. The basic techniques and playing methods to enhance your skills, knowledge and music abilities that will help you to produce your own songs or musical works.

As a **Third Subject** Music theory will be the core foundational work each student have to take to build on their theory knowledge (grade dependable) and how to write a song, bassline, melody, dynamics and musical terms also included research on different musical instruments and famous singers, performers and musicians.

Your **Fourth subject** will be Music of the Stage & Screen to help you get in character for stage performances, proper and professional stage use and how to form story lines around your own professional productions and learn how to work in a group with other students

As a **Fifth Subject** you will be learning all about World of Theatre & Drama that will give you the perfect tools to act, produce and create a stage play or production in a group production or as a solo artist.

Your **Sixth Subject** will be your Performance Diploma where you can put everything together as a complete production – learn the in and out of the Music & Performing ARTS industry, the how's and when's of stage and production works.

Each student will also learn about song-writing, production work, working as a solo artist and in a team as a *production* and how to put together an amazing program for your own performances, how to produce your own original songs and recording industries do's & don'ts.

And finally doing the exams in each subject and your Diploma exam in September/ October – Dates will be confirmed as soon as possible.

Students can take alternative subjects on request.

Both Part-time & Full-time students will have projects, research, group activities and stage time training included in their packages

Notes:

- All Certification are skill and grade level dependent;
- Additional charges will be applied per additional subject added to the standard curriculum;
- Exam fees will be confirmed once students have been graded and evaluated
